

Lucille Trepanier

Experience

Digital & Graphic Designer

Victory Creative Group, Inc.

Toronto, Ontario

Permanent Full-Time • Aug 2023 - Jul 2025 • 2 yrs

Victory Creative Group is a global experience design agency for the world's most recognized sports and entertainment brands. Designed digital products and brand systems for Nike, NBA, WNBA, and Team USA — leading end-to-end UX for athlete-facing platforms featuring LeBron James, Caitlin Clark, and Serena Williams.

Digital & Graphic Design Intern

Victory Creative Group, Inc.

Toronto, Ontario

Internship • May 2022 - Sep 2022 • 5 mos

Joined as the company's first East Coast intern, designing digital products and brand systems for Nike, NBA, WNBA, and Team USA, reaching millions of fans across web and mobile. Additional clients included the New York Mets, Google, Microsoft, and Electronic Arts.

Design Researcher

Toronto Metropolitan University (formerly Ryerson University)

Toronto, Ontario

Contract Part-Time • Sep 2022 - Sep 2023 • 1 yr 1 mo

Published peer-reviewed research on AI's impact on creative workflows ahead of the industry curve. Co-presented at the Iarigai International Conference (Germany, 2023) and invited as a panelist at the GCM Colloquium (2024) — one of the earliest design-focused conversations on AI alongside industry professionals.

Product Strategist

Future of Sport Lab

Toronto, Ontario

Contract Part-Time • Sep 2021 - Sep 2022 • 1 yr 1 mo

Defined product strategy from concept to launch for a sports tech startup. Uncovered underserved female sport consumer segments through primary research and translated findings into UX direction, leading cross-functional teams to ship a cohesive product vision.

Career Foundry

UX Design Certificate

Apr 2021 - Jun 2021

Intensive UX training covering research, wireframing, and interaction design. Capstone: accessible vocabulary-learning app.

Parsons Paris | The New School

Graphic Design

Jun 2018 - Jul 2018

Summer abroad in graphic design covering studio practice, design theory, and cross-disciplinary collaboration. 4.0 GPA.

Toronto Metropolitan University

User Experience Team

VP of Design

Sep 2021 - Aug 2023 • 2 yrs • Toronto, Ontario

Led visual design and creative direction for events, guest speakers, and programming initiatives across the TMU UX team, maintaining a consistent visual identity across every touchpoint.
